- old glasses (spectacles)
- CDs and DVDs (not plastic cases)
- ALL coffee/Slurpee cups, plastic straws and lids – *please take to 7-Eleven in Gap Road*

**Also:**

- Used postage stamps – Joycelyn and Reg organise these for Sammy Stamp.
- Helen is still collecting mobile phones and chargers (the Zoo's 'Gorilla Doctors' collection), toner/ink cartridges, batteries, small electrical devices.

**The other side of the story – buy recycled:**

The other side of recycling is to try to purchase products made from recycled materials to create a market for the material we recycle. If there is no market, it has to go to landfill.
