Emergency management petition: Many of you will know that Judy Unwin's family suffered a tragedy 6½ years ago when her son Boyd's daughter Katie was brutally murdered by her partner. Boyd's family was notified in May that Katie's killer had received a reduction of 427 days off his sentence, just for being locked up in prison during covid. Many people are unaware that this legislation exists, it is from the 1990s, intended for emergencies and industrial disputes in prisons. As covid was considered an emergency by the state, all prisoners in Victoria were entitled to up to 4 days off their sentences for every day or part day they were inconvenienced. Over 1000 years has been taken off prison sentences over the covid period in Victoria.

Boyd, along with his daughter Bianca, have a parliamentary petition running to have this legislation revoked and debated in parliament as they feel it is utterly ridiculous, and once again has a huge impact on victims and their families. They are asking for your support by signing this petition.

Petition forms will be available to sign after the Service each Sunday.

Bereavement and note from the Editor: Regrettably, even though I knew of her illness, I heard only very recently about the passing of Lorraine McLaren's sister, Lyn Holman. I asked Lorraine for some details:

"On Monday 5th August my sister Lyn was 'Promoted to Glory' (as the Salvation Army calls it). Lyn was diagnosed with Motor Neurone Disease in 2020 and moved from Brisbane to Adelaide in Dec 2021 to be near our brother Dean (a pharmacist) and his wife Wendy (a nurse). She bought a beautiful unit in Brighton Dunes, overlooking Brighton Beach. Gradually her MND deteriorated and she needed more assistance to lead her life. For the last year of her life she was unable to walk or move without help. She had wonderful carers who looked after her, along with Dean and Wendy. Despite all the challenges, she remained positive and grateful to God for her life with all its blessings.

Lyn's funeral was held in Adelaide on 22nd August (Ivan Butler Funerals). It was a typical Salvation Army Service with a band playing the hymns, good singing and loving tributes." **Please pray for Lorraine and her family.**

Fun fact: This is the **100th** issue of 'Keeping in Touch' since it began on Sunday 23rd May 2021 during covid, when activities were just beginning to happen again (and with 3 lockdowns still ahead of us). The newsletter was spasmodic at first with not many activities happening. Weekly issues resumed from 25th September 2022. The first issue covered: **1** the Week of Prayer for Christian Unity 7pm Service to be hosted by our church (no supper because of covid) **2** Syrian knitting collection reminder **3** UCAF Luncheon at the Football Club **4** the re-introduction on a trial basis of 2pm Services, commencing on 27th June 2021 and **5** the new recycling trolley.

Recycling Corner

Use the recycling trolley or boxes in photocopy room for:

- old biros and textas
- medication blisters
- milk bottle lids
- x-ray transparencies
- bread bag tags – plastic only (no tea bag tags or ring pulls please)
- old glasses (spectacles)

- all coffee/Slurpee cups, plastic straws and lids – *or take to 7-Eleven in Gap Road*
- used postage stamps – Joycelyn and Reg collect for Sammy Stamp

Use the big plastic container for:

- 10c containers such as:

– see flyers on the recycling trolley.

The other side of the story is to BUY recycled:

The other side of recycling is to try to buy products made from recycled materials, in order to create a relevant market. Without a market, the recycled material has to go to landfill.
